Dear Trevor,

Bio-Zyme New Zealand Limited – Formal Licence Issue- Licence Number 3718149

I am attaching a copy of the initial assessment document completed by Tonkin + Taylor which recommends that the following products are granted an Environmental Choice New Zealand licence:

Bio-Zyme Cleaner
Bio-Zyme Industrial
Bio-Zyme Multipurpose

The licence number is 3718149.

I am delighted that Bio-Zyme has taken this step to have products licensed by Environmental Choice New Zealand.

Your logo, commentary and product list will be uploaded to the website immediately upon receipt, and your licence certificates will be posted to you as soon as possible.

I look forward to working with you.

Kind regards
